# Transport Outcomes

## Inclusive access

Enabling all people to participate in society through access to social and economic opportunities, such as work, education, and healthcare.

## Economic prosperity

Supporting economic activity via local, regional, and international connections, with efficient movements of people and products.

## Healthy and safe people

Protecting people from transport-related injuries and harmful pollution, and making active travel an attractive option.

## Environmental sustainability

Transitioning to net zero carbon emissions, and maintaining or improving biodiversity, water quality, and air quality.

## Resilience and security

Minimising and managing the risks from natural and human-made hazards, anticipating and adapting to emerging threats, and recovering effectively from disruptive events.
